# Message from the President, Rtn. Sanjay Karwa

Welcome into the third year of our Rotary Club.

Let me share my immense pleasure with you, as I place the first bulletin of our new Rotary year, in your hands. I would like to take this opportunity to thank all the club members for reposing their confidence in me, as I take upon the responsibility as the Club President for RY 20-21.

Needless to say, as we strive to work and achieve the goals we have laid out for ourselves in in this year, they cannot be accomplished without the over-whelming support and active participation of you club members. Would like to express my sincere thanks, to the strong and dedicated team of our Board of Directors. All the Directors themselves are much enthused to make a difference and set new benchmarks.

As we step into the next year, we are confronted with unparallel challenges, which we have never experienced earlier. Despite the prevailing COVID situation as it exists today, and the fact that we find that the number of positive cases rising, people have continued to take up this fight head-on. Undoubtedly, we are all well-advised time and again, to take all the due precautions for our safety and well-being and we are doing so, as well. So please Stay Safe.

Friends, please be rest assured that we shall try to make the best of this year and envisage to plan physical meetings at the earliest opportunity, as the situation stabilizes.

I would also like to welcome few new members who have joined our club and I extend a warm welcome to all of them. We look forward to a close association with all of them.

**Rtn. Sanjay Karwa**

# RI Presidential Theme – “Rotary Opens Opportunities”

**Rtn. Holger Knaack**  
RI President 2020-2021

Rotary International President Holger Knaack is encouraging Rotarians to seize the many opportunities. Rotary offers to enrich their lives and the communities they serve.

*We will capture this moment to grow Rotary, making it stronger, more adaptable, and even more aligned with our core values.*

“We believe that our acts of service, big and small, create opportunities for people who need our help. He adds that Rotary creates leadership opportunities and gives members the chance to travel the world to put their service ideas into action and make lifelong connections. “Everything we do opens another opportunity for someone, somewhere,” said Knaack.

## Message from DGE, Rashmi Kulkarni

Dear President,

It's my great pleasure to share my views and thoughts with you in writing.

It has been almost one & half years since I am in touch with your President as if like we are from one family and in the past few months seems like we have been transported far away physically and meeting virtually on a daily basis.

When we think of 2020-21, the first thing that comes to mind is how to go about OUR year. So many questions cloud our mind immediately.... what's next... what about covid19... what about the installation ceremony... DG visit..., service projects... so on and so forth.

Well let me start from the beginning...

One at a time!
